

Chenega Corporation Named to Victory Media's 2016 Military Friendly® Employers List

Anchorage, Alaska — Chenega Corporation announced today that, once again, it has earned the 2016 Military Friendly® Employer designation by Victory Media, publisher of *G.I. Jobs*® and *Military Spouse*. Companies competed for the elite Military Friendly® Employer title by completing a data-driven survey, with data independently tested by Ernst & Young LLP based upon the weightings and methodology established by Victory Media and its Advisory Board. Criteria for the survey included a benchmark score across key programs and policies, such as the strength of company military recruiting efforts, percentage of new hires with prior military service, retention programs for veterans, and company policies on National Guard and Reserve service. Chenega Corporation is committed to hiring military talent, knowing first-hand that recruiting from the military community is not only “the right thing to do”, it also makes good business sense, and it can lead to a strategic competitive advantage. “We are honored to be able to offer meaningful career opportunities to former military service men and women.” shared Peggy O’Keefe, Senior Vice President of Human Resources for Chenega Corporation. “We are also dedicated to hiring military spouses whenever possible as it provides for enhanced stability in the family and increases the longevity of our employee’s commitment to Chenega.”

Now in its 13th year, Military Friendly® Employers is the premier resource for transitioning service members and spouses seeking civilian employment. Each year, companies taking the survey are held to a higher standard than the previous year via improved methodology, criteria and weightings developed with the assistance of an Advisory Board consisting of leaders in higher education and military recruitment communities. A full list of board members can be found at MilitaryFriendly.com/board.

“Companies that have earned the 2016 Military Friendly® Employer award have exceptionally strong hiring programs and meaningful careers for transitioning service members and spouses,” said Daniel Nichols, Chief Product Officer of Victory Media and Navy Reserve veteran. “Our Military Friendly® Employers are moving the needle beyond answering ‘why hire military’—they are truly aligning their jobs and recruiting efforts with Military Friendly® educators to translate military competencies into civilian jobs.”

Chenega Corporation will be showcased along with other 2016 Military Friendly® Employers in the December issue of G.I. Jobs® magazine, as well as on MilitaryFriendly.com.
